ALMA MATER

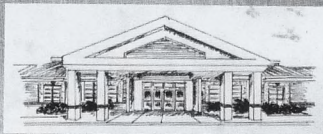

Our favor'd school, all hail to thee,
Rappahannock, Rappahannock;
Our truth and love and loyalty,
Rappahannock, Rappahannock.

We're here to learn that truth and right,
Will lead us through the darkest night;
We'll look to thee for strength and light,
Rappahannock, Rappahannock.

When all our days in thee are through,
Rappahannock, Rappahannock;
We'll always hold fond mem-or-ies,
Of you dear Rappahannock.

When all our friends from here are gone,
And we are in the world alone –
Thy name will bring us thoughts of home,
Rappahannock, Rappahannock.

Tune: "Virginia Our Virginia"
Lyrics: Nancy O'Dell Latta

Favorite Memories

Friends and family share their thoughts

Jakeia Levon Tomlin passed away on Monday, January 1, 2001. He was born in Richmond, Virginia on April 23, 1984. He is survived by his mother, Tish Ann Veney Tomlin; his father, Thomas Earl Tomlin; and his sister, Porcha S. Tomlin.

TISH TOMLIN (MOTHER)

"I miss Jakeia telling me he loves me, and joking and acting crazy. He was a comedian."

PORCHA TOMLIN (SISTER)

"He was the type of person who didn't believe in down moments. Whenever the room got quiet, he would always do something to cheer us up."

DENNIS RICHARDSON

"One thing I miss about Jock is how he was always smiling. Every time I would see him he would be smiling."

KEVIN FAUNTLEROY

"He was a very good friend and always made you laugh. Well, I want him to know the love is there and I will see him when I get there."

ELLEN GAINES

"I will miss Jakeia's enthusiasm in P.E. class. He loved to play basketball and he had the best time dunking the ball. He had great 'ups'."

L'MARQUES FINKLEY

"I remember him coming down to the house every day, and for being a great friend. I'll never forget you and will always love you."

TAMMY LEVERE

"I miss that cute smile he always had on his face. No matter what was wrong, he was always smiling."

A GOOD SPORT

Jakeia's sense of humor and school spirit was apparent when he dressed as a woman on Switch Day.

BETA Character

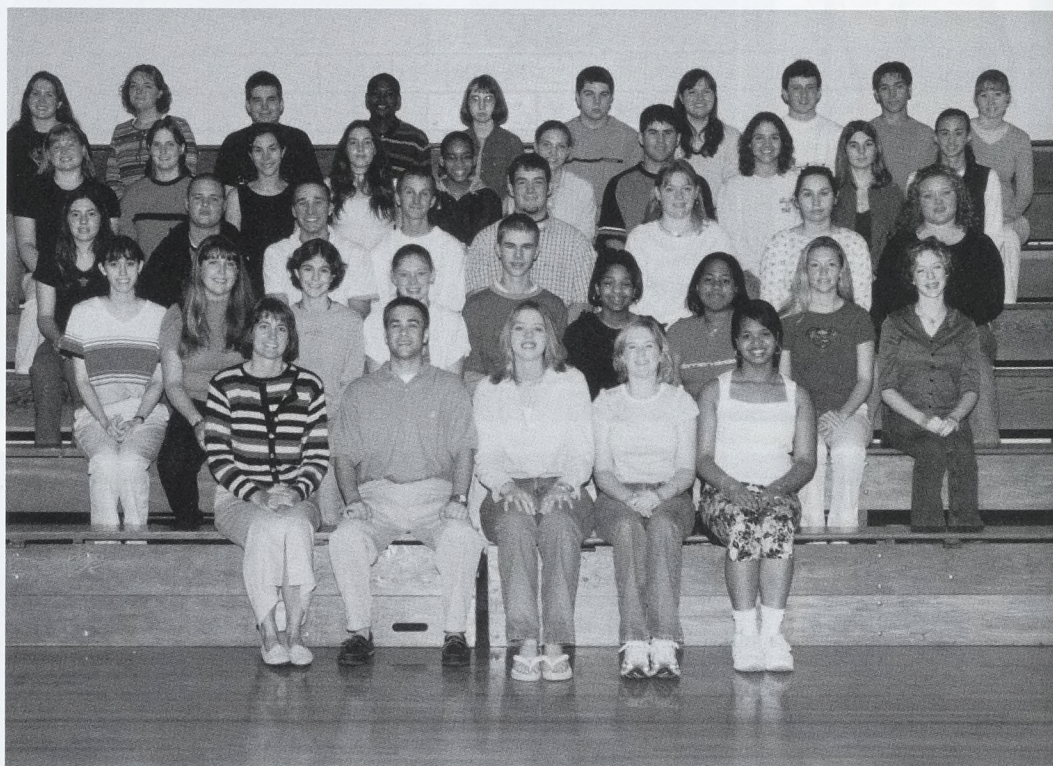

This year, the RHS Beta Club has served the community in various ways. The Beta Club organized a fund-raiser for the Cystic Fibrosis Foundation. The fund-raiser was named "The David Fund" in memory of David Sisson, a Rappahannock graduate who died of the disease. With the help of the community, the RHS Beta Club raised over \$500 to help with Cystic Fibrosis research. The club conducted a school-wide drive for canned food and non-perishables. With the help of RHS students, the club was able to give ten boxes of goods to a needy family in Richmond County. A collection was taken up within the Beta club, which allowed for a donation of \$100 to be made to the WRAR

Christmas Wishes campaign. Some of the members were able to serve the community by donating their time to be Salvation Army Bell ringers the Saturdays preceding Christmas. Through these service projects, RHS Beta Club members are learning about, appreciating, and contributing to our community. The National Beta Club has recognized the Rappahannock High School Beta Club's efforts and continues to encourage club members to "lead by serving others."

On March 14th - 16th, twenty members of the RHS Beta Club traveled to Roanoke, Virginia for the State Beta Club Convention. At the convention, RHS Beta mem-

bers competed against students from across the state in various art and academic competitions. Congratulations to Kyle Finerfrock, a senior, who achieved first place in the woodworking category. At the end of each day at the convention, Beta students were able to socialize with students from across the state at a casual and a semi-formal dance. At the final session of the convention on March 16th, Katie Slusser read an inspirational poem. Richard Gouldin, III followed the inspirational poem and presented his farewell address as the Vice President of the Virginia State Beta Club. Members of the RHS Beta Club are encouraged to participate in all of the service activities and the convention, as they are worthwhile learning experiences for all who are involved.

Yearbook Technology

*The 2001
yearbook goes
high-tech with
Jostens
YearTech
software*

This year's RHS yearbook was designed using the Jostens YearTech program. YearTech is a software program which works in conjunction with Adobe PageMaker.

After placing many phone calls to Jostens Tech Support, Mrs. Gagnon and the staff became more and more familiar with the software program. Using such resources as Click-N-Go, Page Wizard, Panel Maker, and Page Surfer, the year-

book staff created all 112 pages on the computer.

Once the layout designs, clip art, and text were completed for a certain set of pages, this information was saved on a disk. Next, staff members tagged and cropped each photograph for those pages. The disk and photos were then sent to the Jostens' plant in Winston-Salem, NC where the final stages of production take place.

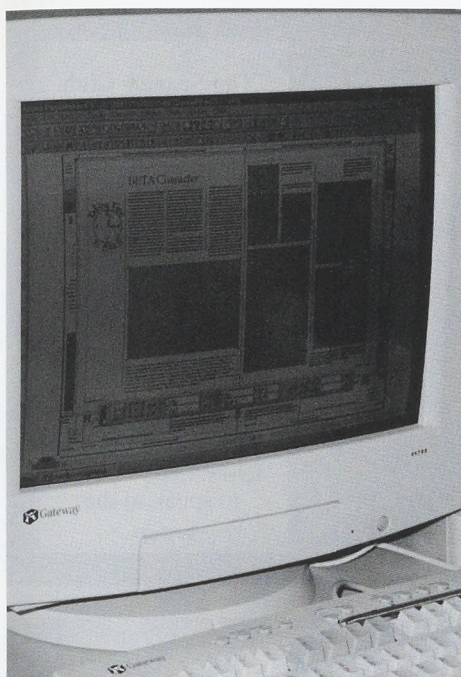

Producing a high school yearbook requires students to become familiar with a variety of materials in addition to the computer software.

Being able to drag and drop photo blocks was a real time saver.

Ashley Brownlee (Editor) spent many hours in front of the computer learning how to use the YearTech program.

Rebecca Jeter was invaluable as a typist. She typed a lot of the patron ads and many of the names which appear with our group shots.

As one of our more dedicated photographers, it was hard for us to get a picture of Shelley Dawson since she was behind the camera most of the time.

Exclusive, But Not Expensive

WE BELIEVE IN THE POWER OF LEARNING.

When it comes to the education of our young people, Bank of Lancaster and Bay Trust Company are partners who support and applaud the work of our local schools. We are partners who support any efforts to provide our children with educational opportunities that will equip them for tomorrow's world...and partners who can assist with all the financial aspects of planning for a child's future educational needs. The world is waiting for the brightest stars, and we know they're right here in our Hometown.
